The entire Hara Waxing Range has been built around the needs of the Therapist and the Client. There are five wax flavours all made from the finest ingredients to provide effective and comfortable waxing. The two after wax flavours along with the Sea Salt Body Scrub gives you a retail opportunity which helps to compliment Hara wax salon treatment. Hara provides everything you need for a waxing treatment from the wax itself to the tools and disposables needed to carry out this popular salon service. Look out for  symbol showing new Hara products.
